# Reporting changes 2016

- > As of Q1 2016, the reporting structure has been fully aligned with América Móvil
- > Proforma presentation: Comparison figures for previous periods are presented as if M&A transactions executed between the start of the comparison period and the end of the reporting period had already been fully consolidated in the relevant months of the comparison period
- > Key changes:
  - > 'Total revenues' include other operating income (excluding own work capitalised)
  - > Own work capitalised is deducted from employee costs (previously included in other operating income)
  - > Switch to cost of sales methodology (previously cost-type approach)
  - > EBITDA: Only a single EBITDA figure (EBITDA). (previously distinction between 'EBITDA comparable' and 'EBITDA including effects from restructuring and impairment tests')
